Targoviste, 21 August 1873.

Sabinu, în 24 August 1873.

Pe 24 iulie, during a legislative session in Bucharest, the Romanian Parliament passed a law regulating the use of the Romanian language in the schools. The law aimed to standardize the language and to promote its use in education. The law was significant because it reflected the efforts to create a modern nation-state with a unified language. The text includes a speech by a representative, highlighting the importance of language in national identity and education.
...
In the previous text, there was a reference to something regarding the church and its influence. It seems there was a mix-up, as the text appears to be discussing a different topic. However, without additional context, it's challenging to provide a natural text representation.
